

LIVER ALLY

SCHEDULING STATUS: S0

PROPRIETARY NAME (AND DOSAGE FORM): R'vive Liver Ally capsules

COMPOSITION:

Each 420mg capsule contains:

Milk Thistle Extract (80% Silymarin)	- 127mg
Turmeric Extract (95% Curcumin)	- 127mg
Blackseed Extract (8:1 Thymoquinone)	- 158mg
Black Pepper Extract (95% Piperine)	- 9.4mg

PHARMACOLOGICAL CLASSIFICATION:

COMPLEMENTARY MEDICINE - Western Herbal Medicines:

This medicine has not been evaluated by the SAHPRA. This medicine is not intended to diagnose, treat, cure, or prevent any disease.

PHARMACOLOGICAL ACTION:

Milk Thistle Extract	Stimulates phase 1 and phase 2 liver detoxification pathways, stimulates regeneration of liver tissue, up-regulates the production of the antioxidants glutathione and superoxide dismutase.
Turmeric Extract	Attenuates oxidative stress and inflammatory responses, supports production of phase 2 metabolising enzymes, decreases additional fat deposition in the liver.
Blackseed Extract	Supports liver metabolism, supports lowering of oxidative stress, inflammatory markers in the liver and fat deposits in the liver, protective against oxidative liver DNA damage, supports glutathione production.
Black Pepper Extract	Bio-availability enhancing adjuvant, improves the bio-availability of curcumin and thymoquinone.

INDICATIONS: Support liver function.

CONTRA-INDICATIONS: None known

WARNINGS AND PRECAUTIONS:

Children: Do not give to children under 1 years of age. For children over 1 year of age adjust dose according to weight. Content of capsule can be mixed into food, juice or honey.

Pregnancy, breastfeeding and fertility: Safety has not been established.

General: Always tell your healthcare provider if you are taking any other medicine (this includes complementary or traditional medicines).

DOSAGE AND DIRECTIONS FOR USE: Take 2-4 capsules daily.

SIDE EFFECTS AND SPECIAL PRECAUTIONS:

None known

KNOWN SYMPTOMS OF OVERDOSE AND PARTICULARS OF ITS TREATMENT:

An overdose is unlikely to occur. In the event of an overdose, consult your healthcare provider.

IDENTIFICATION: 60 clear capsules containing ochre-coloured powder.

PRESENTATION: R'vive Liver Ally is packaged in an amber coloured, pharmaceutical grade glass jar with a black lid and tamper-evident seal.

STORAGE INSTRUCTIONS: Store in a cool, dry place out of direct sunlight and reach of children.

NAME AND BUSINESS ADDRESS: R'vive Health, Private Bag X34, Suite 115, Somerset West, South Africa.

DATE OF PUBLICATION OF INSERT: January 2021

DISCLAIMER: This information is not intended to replace any advice given by your healthcare practitioner. Consult your healthcare provider to assist with medical conditions.

R'VIVE COLON CLEANSE KIT

The R'vive Colon Cleanse helps to bring healing and restore colon function by removing built-up waste and detoxifying the colon.

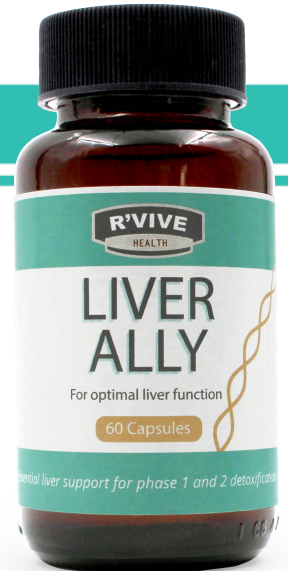

Toxins which have been neutralised in the liver are sent to the colon for excretion. A clean, properly functioning colon ensures proper elimination of these toxins and prevents re-absorption.

R'VIVE COLON CLEANSE KIT

Die R'vive Colon Cleanse help om geneesing en herstel te bring aan jou kolon funksies deur opgeboude afval en toksiese stowwe te verwyder. Giftstowwe wat geneutraliseer word in die lewer word na die kolon gestuur vir ontlasting. A skoon, welwerkende kolon verseker voldoende ontlasting van hierdie giftstowwe en voorkom herabsorpsie. Besoek Rvive.co.za vir meer inligting.
